

### SCHOLARSHIP INSTRUMENT APPLICATION

Students who are financially unable to rent an instrument from the music store may apply for a scholarship instrument. Students must be a resident of Wicomico County and attend a Wicomico County Public School.

Instruments are loaned for one school year and are renewable for additional years. Although no G.P.A. is necessary to begin the program, a 2.0 minimum academic average is necessary to renew the instrument. Instruments must be returned when a student is no longer registered in the music class.

Students must perform 10 hours of service to their school music department for each year they participate in this program.

Parents are responsible for purchasing lesson books and supplies and maintaining the repair of the instrument.
